5 Economic and financial standing

This section will be used to assess the overall financial stability of your organisation. The threshold for each question is that the requested information is provided. The threshold for the whole of this section is that the Authority is satisfied with your organisation's financial stability.

In assessing an organisation's financial stability, the Authority will review the accounts and any relevant accompanying financial information submitted. They will calculate profit and working capital ratios and net worth and review turnover levels, observing trends over recent years.

Financial references and internal credit checks will be undertaken to analyse your organisation's financial position and determine the level of risk it would represent to the Authority, having regard to the contract requirement and value, criticality and the nature of the market. The assessment of risk is based on sound business judgement rather than just a mechanistic application of financial formulae. If the Authority deems the financial position of the organisation to be acceptable, the threshold is passed.

Depending on timescales, further financial checks may be carried out by the Authority between receipt of tenders and contract award which may impact on the contract award decision.

Threshold (T). Provision of copies of last years audited accounts.

13. Please provide relevant documentation which demonstrates that your provision is financially sustainable including a cash flow forecast that indicates financial sustainability following the expansion.
- balance sheet
 - profit and loss account, including turnover and cost of sales
 - full notes to the accounts
 - Directors' Report and Auditors' Report (if applicable)
 - Charity Commission submitted annual returns, accounts and trustees annual report (where applicable)

The Authority may need to ask for further information regarding past accounts if there is anything of concern identified in the last years accounts.

Threshold (T). Pass or fail criteria.

14. Track record with Ofsted or Independent Schools Inspectorate. Provider is rated Outstanding, Good, Met, or equivalent.
